Personal Profile

I'm a glass-half-full and upbeat type of person. In my off time I enjoy crochet, painting, illustration, and tending my garden. I love meeting new people and helping keep a positive atmosphere with both friends and colleagues.

Professional Profile

I am a dedicated graphic designer who enjoys working with clients to provide accurate and eye-catching graphics and products. Attention to detail is my top priority to ensure I can meet clients' needs. I thrive in fast-paced environments that can provide varied projects and challenges. With my proficiency in graphic design and experience in production, I excel at adapting to new environments and duties.

Skills

Adobe Illustrator • **Adobe Photoshop**
Clip Studio Paint • **Management**
Client Relations • **Vinyl Production**
Project Scheduling • **Photography**
Adaptable • **Inventory Management**

● Experience

2015 – 2025 *Graphic Artist at T-shirts Etc., Topeka, Kansas*

Following my field of study at Washburn Technical College I became employed as the lead graphic artist for T-shirts Etc. This position has been challenging and rewarding. I have demonstrated strong graphics arts skills, working directly with clients to produce art that meets their vision and needs. I managed an art assistant and was responsible for both the graphics and vinyl production departments. I also assisted clients with incoming orders, answered calls, maintained the graphics email, assisted with opening and closing, and ordered all materials and supplies associated with the graphics and vinyl departments.

2015 *Graphics Arts Internship at the Topeka Public Library*

During this internship I gained experience in the publishing field and assisted production on the Topeka Library magazine and various fliers and advertising media. This experience was crucial in cementing my passion for graphics arts and encouraging me to pursue the field of graphics arts further.

● Education

2017 - 2019 *Washburn University*

Graduated with an associates in mass media.

2014 - 2015 *Washburn Technical College*

Completed a program in Graphics Technology obtaining certification in Adobe InDesign, Illustrator, and Photoshop. Competed in the Skills USA state challenge and won the 2015 Gold Medal in Skills USA Advertising Design.
